Objective

Strong in design and integration with intuitive problem-solving skills.
Proficient in JAVASCRIPT,HTML/CSS,Node.js MongoDB and C++. Passionate about
implementing and launching new projects. Ability to translate business
requirements into technical solutions.

Project

Personal Project   04/2022 - Nowadays
College Quora

I am trying to develop a social media website for my college, just like quora
where students can interact with seniors.
I am using MERN to develop this project

October Eats   10/2022 - 11/2022
Front end

I had tried to make front-end like zomato.
